Through training, professional development opportunities, and fostering a positive work culture, we aim to empower our team members to reach their full potential and contribute meaningfully to our vision and mission.

OUR VALUES

Pursuit of Excellence: We are dedicated to continuous improvement, constantly striving to raise the bar and exceed expectations in all that we do.

Quality: We prioritize building robust systems that not only meet but exceed the expectations of our customers and employees, ensuring their satisfaction and success.

Health & Safety: The safety and well-being of our people, the public, and our property are paramount. We are committed to establishing and maintaining systems that uphold the highest standards of health and safety.

Respect: We foster an environment of mutual respect, valuing the perspectives, contributions, and diversity of each individual within our organization.

Accountability: We hold ourselves accountable for our actions, taking ownership of our responsibilities and commitments to deliver results with integrity and excellence.

Integrity: Integrity serves as the cornerstone of our business. We conduct ourselves with honesty, transparency, and ethical principles, earning the trust and confidence of our stakeholders at every step.

OUR QUALITY, HEALTH & SAFETY (QHS) POLICY:

At Mohanagar International, we recognize that the success, continuity, and sustainability of our business are contingent upon a dynamic Quality, Health, and Safety (QHS) framework. Rooted in the principles of Service Quality, People Safety, and Legality Management, our QHS policy embodies our unwavering commitment to operational and business excellence.

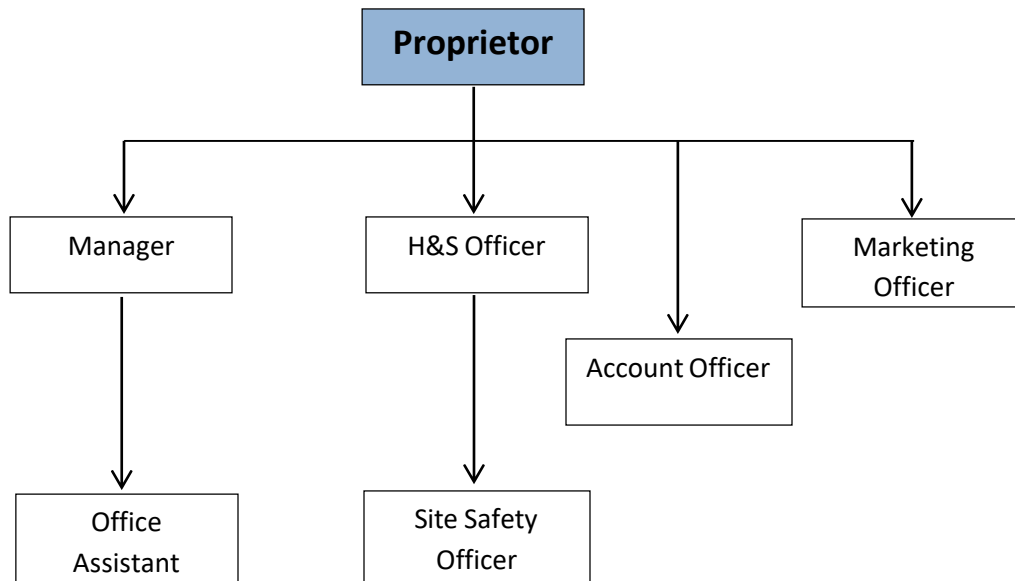

Key Principles:

- **Priority on Health and Safety:** We prioritize the health and safety of every individual associated with our operations. Management takes responsibility for ensuring safe driving practices and maintaining vehicle conditions, while employees are expected to adhere to safe standards and practices in their work.
- **Consistent Quality and Safety Service:** We are dedicated to delivering service that not only meets but exceeds customer requirements, ensuring their satisfaction at all times.
- **Compliance:** We adhere to all applicable local, national, regional, and legal requirements throughout our organization and service provision processes.
- **Training and Awareness:** We invest in training, encourage participation, and foster consultation among our employees and contractors to enhance QHS awareness and ensure diligence in service quality and people's health and safety.
- **Communication and Engagement:** We actively communicate and share our QHS Policy with the public, interested parties, and customers, seeking their support and collaboration to achieve higher levels of compliance.
- **Effective Implementation and Continual Improvement:** We are committed to the effective implementation and continual improvement of our QHS framework through proactive measures and preventive techniques.
- **Resource Allocation:** We provide full support and allocate appropriate resources to drive continual improvement in our Service Quality, People's Health, and Safety systems. This includes establishing objectives, setting targets, implementing proactive approaches, employing preventive techniques, and conducting regular reviews.
